Dear ARCHIVES/CHICAGO 2007 Exhibitor:

Congratulations on your decision to exhibit your services/products at ARCHIVES/CHICAGO 2007, the 71st Annual Meeting of the Society of American Archivists. We look forward to welcoming you to SAA’s own “Sweet Home” in August. As expected, our registration numbers are growing rapidly – seems like everyone likes the idea of this opportunity to THINK BIG!

The enclosed Exhibitor Kit from GES Exposition Services (our show contractor) provides all the specific instructions that you will need for your booth set-up. Please take a moment to review the Kit, as deadlines are approaching rapidly. If you have any questions or concerns about the Kit, please contact Denene Kinney with GES directly at 301-583-5060 or dkinney@ges.com.

Included with your booth purchase are two complimentary meeting registrations (per 8x10 booth purchase) and two additional “Expo Hall Only” passes. To ensure that your representatives have name badges and are able to attend the entire conference, we ask that you complete and return a registration form for each individual. (Don’t forget to indicate attendance at social events!) In this packet you will find two complimentary meeting registration forms and one form on which we ask that you indicate up to two individuals to receive “Expo Hall Only” passes. Please complete and return all registration forms via fax to SAA Registrar Carlos Salgado at 312-347-1452 no later than July 31.

It’s not too late to sponsor an event! You can enhance your exposure before, during, and after the conference by sponsoring an event or take-away. The enclosed brochure lists lots of opportunities, and we’re happy to work with you to create a sponsorship that meets your needs. Contact Nicole Unger or Michele Dodson (at 410-571-0590) or me (at 312-922-0140) to talk about your marketing goals and how an ARCHIVES/CHICAGO 2007 sponsorship might help you meet them.

ARCHIVES/CHICAGO 2007 is approaching quickly, and we look forward to working with you to ensure that the International Archives and Information Technology Expo gives you the opportunity to meet your marketing goals, to interact with current and future customers – and to THINK BIG!

Best regards,

Nancy P. Beaumont

A sponsorship proclaims your interest in providing the best education and networking in the profession. And with ARCHIVES/CHICAGO 2007's comprehensive list of sponsorship options, you're sure to find one that meets your company's needs and budget!

At ARCHIVES/CHICAGO 2007, you'll share your message with more than 1,500 archives and records professionals from around the world. Attendees enjoy a week-long program of workshops, education sessions, networking opportunities, and special events. The THINK BIG! EXPO offers industry suppliers and partners the chance to showcase products and services to the profession's decision makers. Here's your chance to take your commitment to the next level!
All-Attendee Reception* $35,000
The event that just keeps growing! Attendees take advantage of this time to network with old friends and colleagues and to make new ones. You’ll have the opportunity to highlight your organization’s name and presence in a relaxed and fun atmosphere as archivists take on Sweet Home Chicago! Sponsor the entire event or select from the “a la carte” menu below:

- **Can We Buy You a Drink?**
  Your opportunity to have “face time” with attendees as they enter the reception site. Pre-printed drink tickets will include the following text: “Free Drink compliments of Your Company Name and Logo.”
  ................................................................. $5,000

- **Food Station** — Sponsor one of our delectable food stations at the reception. We'll place signage at your station and also provide attendees with any giveaways (e.g., napkins, pens, trinkets) that you provide.
  ................................................................. $2,000

- **Transportation** — We’ll place your company name on each and every bus that you sponsor! In addition, we’ll make an announcement on your sponsored bus en route to our reception to publicly thank your company for its sponsorship. Be sure to take your sponsored bus, so that we can personally acknowledge you!
  ................................................................. $500 per bus

*For those not able to sponsor the entire event, partial sponsorships are available.

**THINK BIG! Happy Hour in the Exhibit Hall** $15,000
Here’s your chance to showcase your company in the Exhibit Hall, where your current and prospective clients have direct access to you. We’ll highlight your generosity on a large “thank you” banner, signage at all food stations, and drink tickets that carry your company name and logo. And we’ll provide a public “thank you.”

**ARCHIVES/CHICAGO 2007 Tote Bags** $10,000
How many tote bags does anyone need? Well, based on the clamoring for bags every year, we can only assume that the answer is “never enough!” Imagine your company name and logo displayed all week long as more than 1,500 attendees carry their tote bags around the meeting facility, around Chicago, and back home. They’ll remember your company’s generosity for years to come!

**Chicago Blues Brunch in the Exhibit Hall** $10,000
Yes, the feeding frenzy continues! Our attendees love to eat, and you’re sure to receive their thanks and recognition for providing a delectable Chicago Blues Brunch, complete with all the trimmings. This 2-hour event will feature food station signage and a banner highlighting your company’s name and logo, and a public “thank you” for your generosity.

**Attendee Badge Wallets** $5,000
Attendees are required to wear their badges just about everywhere, and your company name and logo will travel with them during the conference—and beyond. Let’s see: 1,500 attendees x 1,000 impressions/day x 6 days equals...?

**President’s Reception** $3,000
Select groups are invited to attend the President’s Private Reception. Here’s your opportunity to place your company’s name before past, present, and future leaders of SAA. You’ll receive personal thanks from the President and signage at the door.

**New Member/First-Timer Breakfast** $3,000
More and more come every year as SAA membership continues to grow! If you’re looking for new leads and contacts, what better place to make an important first impression than at this special function just for new members and first-time attendees? Here’s your chance to develop strong partnerships with the future of the profession! Sponsorship includes signage and a public “thank you.”

**“Last Chance” Exhibit Hall Break** $3,000
No matter how well attendees plan, they always seem to find themselves in the Exhibit Hall for that one last visit before the hall closes. You can take advantage of this heavily trafficked time to leave a lasting impression. Sponsorship includes snack station signage and a public “thank you.”

**Closing Party Band/Entertainment** $3,000
You’ll leave a “lasting” impression at this last official event of ARCHIVES/CHICAGO 2007. Archivists love to rock, and our hired entertainers will make sure they dance the night away—thanks to you!

For complete information about these sponsorship opportunities—or to begin customizing your own sponsorship—please contact Nancy Beaumont, SAA Executive Director (312-922-0140, nbeaumont@archivists.org) or Nicole Unger, Conference & Logistics Consultants (401-571-0500, saa2007@gomeeting.com).

Trade Show Tips

Society of American Archivists
71st Annual Meeting
Fairmont Hotel at Illinois Center • August 30 - 31, 2007

As your tradeshow partner, our goal is to provide you with hassle-free service so you can get on with your show. Even if you use an Exhibitor Appointed Contractor (EAC), you should have a basic working knowledge of the Exhibitor Service Manual contents and information.

By following the information below, you will enjoy a smooth trade show experience.

Ordering Trade Show Services.

- Please include your complete customer information on each order form including address with zip code, phone and fax numbers, e-mail addresses, contact name, and, most importantly, booth number. If you have multiple booth locations, please complete separate order forms for each location (booth, meeting room, etc.).
- Please ensure that the credit card information is complete and correct: including the expiration date.
- When ordering carpet, draped tables or counters remember to select the colors you desire.
- Please make sure that the size of the carpet you order is appropriate for your booth space (e.g.: do not order a 9’ x 20’ carpet for a 10’ x 10’ booth).
- Keep the total square footage of your booth space in mind when you order your decorating items, don’t order more than will comfortably fit in your booth and still allow you to do business.

Inbound - Move In.

- Confirm your furnishings orders with the GES National ServicenterSM. You should receive a confirmation of your order within 3-5 days of placement.
- Confirm target dates with GES and communicate them to your carrier. Refer to the Special Handling brochure enclosed to ensure that you do not incur special handling charges. You may want to share this brochure with your carrier.
- Keep the phone number of your carrier with you, including weekend contact.
- Have your hotel information available, including phone number, address etc.
- After emptying crates, place empty labels on all sides of your crates and cases. Remember to remove old empty labels. Additionally, empty labels are sometimes color coded, so make sure you get the correct color and be sure your number is on each label.

Showsite.

Put together a trade show survival kit to include in your freight or carry with you, including:

- Small Tool Kit
- Staples, Scissors, Tape
- Pens & Markers for labels
- First Aid Kit
- Bottled Water

Outbound - Move out.

- Keep in mind, the return of empty containers can take from 2 to 12 hours (depending on the size of the show), so coordinate your outbound flight to accommodate this.
ATTENTION:
PETROLEUM SURCHARGE INFORMATION

In order to offset the effects of increasing fuel costs being felt by every citizen and industry in North America, GES® Exposition Services has enacted a Petroleum Surcharge Program.

The Petroleum Surcharge will result in a 2% increase on all services published in the exhibitor service manual with the exception of GES® Logistics, which already has a fuel surcharge built into the rates. These charges will be shown as a separate line item on your GES invoice.

Increased petroleum costs have impacted every facet of our business, from the cost of carpeting (which is essentially processed petroleum), to plastics, visqueens, propane fuel and diesel fuel.

GES thanks you for your continued support and patience during this critical time.
Payment Policy

Payment for Services — GES requires payment in full at the time services are ordered. Further, GES requires that you provide a credit card authorization with your initial order. For your convenience, we will use this authorization to charge your account for services, which may include labor, material handling, or any applicable fuel or energy surcharge.

Discount Prices — To qualify for discount pricing, orders must be received with payment on or before the discount price deadline(s).

Method of Payment — GES Exposition Services accepts MasterCard, Visa, Discover, Diners Club, American Express, check and bank wire transfer. Purchase orders are not considered payment. All payments must be made in U.S. funds drawn on a U.S. Bank. Exhibitor will be charged a $25.00 fee for returned NSF checks.

Third Party Billing — Each exhibiting firm is ultimately responsible for all charges incurred on its behalf. GES Exposition Services reserves the right to institute collection action against the exhibitor if the authorized third party does not pay. See Third Party Billing Request form.

Tax Exempt — If you are tax exempt in the state in which you will be exhibiting, you must provide a Sales Tax Exemption Certificate for that state. Please send the above information to the GES office for this show. Taxes vary by location and will be added to your invoice, if you do not submit your tax exempt certificate prior to the deadline.

Adjustments and Cancellations — No adjustments to invoices will be made after the close of the show. Please refer to the individual forms for labor, etc. for cancellation fees. All orders cancelled by the Exhibitor or due to the cancellation of an event or their non-participation may be subject to cancellation fees equal to 50% - 100% of the total order, based upon the status of move-in, work performed and/or GES set-up costs or expenses. A minimum non-refundable deposit of $25.00 will be applied towards the invoice, unless there is a cancellation of your order. Additionally, GES retains the right to implement/assess a fuel or energy surcharge. Your order must provide a Sales Tax Exemption Certificate for that state. Please send the above information to the GES office for this show. Taxes vary by location and will be added to your invoice, if you do not submit your tax exempt certificate prior to the deadline.

* If you wish to purchase coverage for excess declared value, please see Material Handling Form (R-2).

Safety First!

Society of American Archivists
71st Annual Meeting
Fairmont Hotel at Illinois Center • August 30 - 31, 2007

Safety is very important for everyone working in the exhibit hall - especially you!

GES Exposition Services is committed to safety throughout our company and in the work that we do. We request that you make safety a part of your activities during the show. If you see something unsafe or that presents a hazard, please bring it to the attention of a GES Exposition Services supervisor. By reporting unsafe or hazardous conditions, you will help make the show safer and more enjoyable for yourself and your fellow exhibitors.

Below you will find a list of Loss Prevention Guidelines that we request you follow while at show site. These Guidelines will enhance the overall safety of the show and help to prevent injuries to you, our employees and other exhibitors.

Exhibitor loss prevention guidelines at show site

- Exhibitors should treat the show areas during move-in and move-out as they would a construction site, when work is on-going. Wearing of appropriate attire includes footwear with hard soles that protects against potential injuries from site debris, and limits potential for slip and falls. Heels, flip flops and open-toed shoes are inappropriate and violate safety standards.

- Smoking is prohibited except in designated areas. Please be sure all cigarettes are fully extinguished.

- Standing on chairs, tables and other furniture is PROHIBITED. The furniture is not designed to support your standing weight. Please use a ladder or ask GES personnel for assistance.

- GES forklifts and carts are to be used by authorized GES personnel only. Please do not operate this equipment. Bicycles, skateboards, skates, etc. are prohibited on the show floor unless approved by the facility in advance. If you are authorized to use your own cart, please be sure to register it with the facility. They should also provide you with a “safe operating” procedure. If they do not, a GES representative at the Exhibitor Service Desk can provide it to you.

- Be aware of the forklifts moving throughout the aisles and docks. Please stay clear of them, especially when they are carrying a crate or load. Keep the aisles free and open at all times. Please utilize your booth space to store and work in while preparing your booth.

- Never run in the exhibit hall. Please walk. Watch your step in the aisles and stay away from the loading docks.

- Electrical wires and cords can be hazardous if frayed or stretched over a walkway. Please check all cords for damage. Notify a GES supervisor if you need assistance repairing or removing a damaged cord. Do not overload outlets or plugs.

- Please keep fire exits clear. Report any fires immediately or pull the nearest fire alarm.

- If you spill something, or notice a spill, clean it up or report it immediately. Please do not walk away from a spill.

- Use good housekeeping. Dispose of waste properly and keep materials stacked securely.

- Keep aisles free and clear of any and all debris.

- Protect your valuables while on the show floor. Please keep all expensive or valuable items secured. Unattended items in booths are easy theft targets.

- Notify a GES representative of any safety issues or concerns.

Union Information
To assist you in planning your participation at your Chicago area show, we are certain you will appreciate knowing, in advance, that union labor will be required for certain aspects of your exhibit handling.

There are six major unions which have jurisdiction over trade shows. The following guidelines will help you in preparing your exhibit to conform to union jurisdiction. Adherence to these guidelines can save you a substantial amount of money.

Teamsters
Handle all material in and out of the hall. Exhibitors are permitted to carry small packages into the hall without the use of wheeled carts and/or dollies.

Riggers
Uncrating, unskidding, positioning and leveling of all machinery and reskidding of all machinery.

Carpenters
Uncrating of exhibits and display materials, installation and dismantle of exhibits including cabinets, fixtures, shelving units, furniture, etc. laying of floor tile, carpet, recrating of exhibits and closing of machinery crates. Installation and dismantling of scaffolding, bleachers and binding of chairs.

Decorators
Hanging all non-electrical signs, drape and cloth installation and tacked fabric panels.

Electricians
Responsible for assembly, installation and dismantle of anything that uses electricity as a source of power. This includes electrical wiring, hook-ups, interconnections, etc.

Plumbers
Handle all plumbing work such as compressed air, water, drain or natural gas.

Helpful Hints
Exhibitors may perform the following functions as long as they are a full-time employee of the exhibiting company:

• Hand carry small items and pop-up displays. No hand trucks or carts are permitted.
• Install and dismantle displays within a 100 sq. ft. or less booth space if one person can accomplish the task in 1/2 hour or less without the use of tools.
• Install graphics and small signs, and logos and graphics that are attached with pre-cut velcro strips.
• Make technical, electrical connections and interwire equipment for computers providing the cables do not exceed 10’ in length.
• Perform simple electrical requirements, such as installing light bulbs.

If you encounter any difficulty with any laborer or if you are not satisfied with the work performed, please bring this to the attention of GES Exposition Services. Please refrain from voicing complaints directly to labor.

Gratuities
Our work rules prohibit the SOLICITATION OR ACCEPTANCE of tips in cash, product or gifts in kind by any employee (union or non-union). Our employees are paid appropriate wages denoting professional status, therefore tipping of any kind is not allowed.

Always Honest Hotline
GES requires the highest standards of integrity from all employees. Please call our confidential Always Honest Hotline at 866.225.8230 to report fraudulent or unethical behavior.

Material Handling Information

Society of American Archivists
71st Annual Meeting
Fairmont Hotel at Illinois Center • August 30 - 31, 2007

Material Handling is the unloading of your exhibit materials, delivery to your booth, handling of empty containers to and from storage, and removal of your materials from your booth for reloading onto your outbound carrier. This is not to be confused with the cost to transport your exhibit material to and from the event.

**Benefits of Advance Shipping to the GES Warehouse**

- Storage of materials for up to 30 days prior to your show.
- Delivery of Shipments to your booth by 8:00 a.m. on your first day of move-in (schedule permitting).
- Some convention centers and hotels do not have facilities for receiving or storing freight.
- Saves valuable set-up time.

**How to ship in Advance to the GES Warehouse**

- Remove all old shipping and empty storage labels.
- Complete the enclosed Material Handling Order Form.
- Remove all shipping and empty storage labels.
- Certified weight tickets must accompany all shipments.
- Take the time to ensure that your display and products are packed neatly and securely.
- Do not ship uncrated materials to warehouse.

**How to Ship to Exhibit Site**

- Consign all shipments c/o GES Exposition Services.
- Remove all old shipping and empty storage labels.
- Fill out and attach enclosed Advance Shipping labels.
- Complete the enclosed Material Handling Information Sheet.
- All shipments must have a bill of lading or delivery slip showing the number of pieces, weight, and type of merchandise.
- Certified weight tickets must accompany all shipments.
- Take the time to ensure that your display and products are packed neatly and securely.
- If you are shipping your carpet and/or lighting trusses, make sure it is loaded last so it can be unloaded first.

**Freight Carriers**

Select a carrier with experience in handling exhibition materials. Make sure to give your carrier explicit information as to where and when to check in. Delivery and pick up times are often out of the range of “normal” delivery hours, so make sure your carrier is committed to meeting your target dates and times. While making shipping plans to the Show, also plan for the return shipment.

**Tracking Shipments**

Confirm your delivery date and time with your carrier, and have all pertinent shipping information in the hands of your representative at show site. You may also want to review the return of your goods at the end of the show.

**Estimating Material Handling Charges**

Handling charges are based on the weight of the freight. Shipments are billed by the hundred weight and rounded up to the nearest hundred. Minimum per shipment may apply, see enclosed Material Handling Order Form for details. Please prepay all shipping charges - GES cannot accept mixed shipments and shipments without proper delivery receipts.

- **Crated** – Material that is skidded, or in any type of shipping container that can be unloaded at the dock with no additional handling required.
- **Uncrated** – Material that is shipped loose or pad-wrapped, and/or unskidded machinery without proper lifting bars or hooks.
- **Special Handling** - Defined as shipments that are loaded by cubic space and/or packed in such a manner as to require special handling, such as ground loading, side door loading, constricted space loading and designated piece loading or stacked shipments. Also included are mixed shipments and shipments without proper delivery receipts.

- **Overtime Surcharges** - Shows that move-in or move-out on weekends or late in the day may be subject to overtime surcharges. See enclosed Material Handling Order Form for details.
- **Late Surcharges** – A surcharge will apply if advance freight is received after the published deadline date for shipments to arrive at the warehouse. See enclosed Material Handling Order Form for details.
- **Shipment Surcharges** – A surcharge will apply if shipments are received with incomplete information on shipping labels identifying company name and booth number and/or shipments that are left on the show floor at the end of the show with no labels and no bill of lading turned in.

**Storing Empty Containers**

Properly labeled empty shipping cartons will be picked up, stored, and returned after the show. Labels are available at the GES Servicenter or from your GES Service Executive and are for empty storage only. Depending on the size of the show, it can take from two to twelve hours to return empty crates. Do not store any items in crates marked “empty.”

**Outgoing Shipments**

An OMHF (Outbound Material Handling Form / Bill of Lading) must accompany all outgoing shipments. Shipping information, outbound forms and labels will be available at the GES Servicenter. Exhibitors selecting non-official carriers will need to make their own arrangements for pickup. Make sure that someone from your company will be on-site to oversee the outbound shipment of your display and product.

**Machinery Labor and Equipment**

Labor and equipment for uncrating, unskidding, positioning, leveling, dismantling, reconfiguring, and reskidding machinery and/or equipment must be ordered separately. Place your order for this labor using the In-Booth Forklift & Labor Order Form. If your material requires specialized rigging equipment, please notify us promptly so that we can make arrangements. When possible, supply your own rigging equipment with shipments and pre-rig your material.

**Insurance**

All of your goods should be insured by your own insurance policy. Although we do our best to handle your goods as our own, there are many variables in shipping and handling that can affect your exhibit and products. GES has published GES Terms & Conditions of Contract that are in your exhibitor service manual. Please read them carefully. It is recommended that your goods be insured.

**GES Limits of Liability & Excess Declared Value**

- **Liability** – GES is liable for loss or damage to your goods only if the loss or damage was caused by GES negligence.
- **Measure of Damage** – If GES was negligent and the negligence caused either loss or damage to your goods, then the measure of that damage will be determined by the following:
  a. Measure of damages in all situations (including b. & c. below) will be limited by the Depreciated Value of the goods or repair costs, whichever is less.
  b. The lesser of $0.50 per pound per package, $100 per package, or $1500 per occurrence.
  c. Damages will be limited to a declared value, if you fill in a Declared Value Amount, check the box requesting Excess Declared Value, and pay the appropriate charges for Excess Declared Value. (Maximum allowed declared value $100,000)
- **Cost** – Excess declared value available from GES for $1.00 per $100 of excess valuation. ($50.00 minimum charge per request)
- **Not Insurance** – Excess declared value is not insurance. GES does not offer or sell insurance. GES is not liable and will not owe for loss or damage to your goods if the damage or loss was not caused by GES negligence.

Digital File Submission Guide

Society of American Archivists
71st Annual Meeting
Fairmont Hotel at Illinois Center • August 30 - 31, 2007

Sending your graphic and image files to the GES Creative Services Department

We want your graphics and images to look their absolute best. We are committed to partnering with you in order to provide the most comprehensive and effective solutions in the trade show industry. The graphic print and production industry is continuously evolving. In order to insure the best quality graphics and images from your digital files, and to make file transfers as seamless as possible, we are pleased to provide you with guidelines for submission of your art to GES. If you are unable to provide digital artwork for your signage needs, GES is capable of providing you with layout services. Additional fees will apply. Contact your GES representative for details.

Acceptable Media

- CD-ROM (CD-R or CD-RW)
- DVD-ROM (DVD-R only)
- Email attachment (limited to maximum size of 2mb)
- FTP (mandatory .zip or .sit compression)

When sending disks, label them as follows: Exhibitor Name / Show / Show Date / City of event

Name your files appropriately for easy identification. Do not send files that will not be used for output. Failure to follow these instructions may result in delays in order processing and final production.

Optimal File Types and Resolution

VECTOR: This is the preferred file type. Vector-based artwork is resolution independent and can be enlarged or reduced without loss of quality. See the table below for authoring software capable of creating this type of file.

BITMAP: This type of file is resolution dependent, and will reproduce poorly if the appropriate file resolution is not supplied. If you supply bitmap art, it is best to save your artwork in a 1 to 1 (full size) output ratio at 72 dpi. Lower resolutions will result in reduced image quality.

AVOIDING ADDITIONAL COSTS: Files obtained from the internet (.jpg or .gif) or artwork created in MS Office applications (Word, Excel, PowerPoint, etc.) are often not suitable for high quality output, and often require additional hourly charges. To avoid additional costs associated with these file types, please supply files in accordance with the defined herein.

Page/Artwork Dimensions

Documents should be created at 100% the actual finished size. If your software application has restrictions on page sizes, create your document in a reduced scale (10% reduction increments). Please indicate the scale used on all files which are scaled. Bleeds are not necessary. Failure to supply documents at exact, final sizes, will result in additional charges.

Color Specifications & Proofs

Supplied bitmap files should be in the CMYK color space. All colors in Vector and Page Layout applications should be specified using the Pantone Matching System (PMS®). GES will not be responsible for color variations or matching colors on final output if these requirements are not met. Always send 100% accurate proofs (color laser prints) with your disk.

Typefaces/Fonts

Convert all fonts to outlines before saving your file for transfer. If you do not convert your fonts to outlines, font substitution will occur, resulting in unexpected output. Remember that once fonts are converted to outlines they are no longer editable.

Still Have Questions?

If you still have questions or concerns about your artwork or method of delivery, please contact us at gesgraphics@ges.com (please indicate what city your event is being held in).

A non-Official Contractor is a company other than the "general or official" service provider on the show, or third party service provider designated by show management in the exhibitor manual as the provider of a specific service and requires access to your booth during installation and dismantling. The non-official contractor may only provide services in the venue, which are not designated by the venue as "exclusive" to a venue provider, or by show management in a contract as an exclusive service for the "official" or "general" contractor or other third party. If a non-official contractor attempts to provide services designated to another party as "exclusive" or is caught soliciting on the show floor or otherwise does not comply with the rules, the company may be removed from the show floor, and the exhibitor will not be able to use that company for the remainder of the event.

Due to the necessity of coordinating all activities during the move-in and for security purposes, exhibitors who choose to use these contractors must complete this form, comply with all rules and regulations (listed below) and supply GES Exposition Services with all necessary information by the deadline date indicated above.

Description of Proposed Service for Exhibitor: __________________________________________

This form will only be accepted if filled out by an authorized representative of the exhibiting company. Below are the Rules and Regulations regarding Non-Official Contractors. Everyone must abide by these rules, which are accepted industry rules that were drafted by the International Association for Exposition Managers.

Rules & Regulations
1. All non-official contractors must comply with show rules and regulations, and accept appropriate liability for any negligent actions.
2. The non-official contractors shall be prepared to show evidence to the official that it possesses applicable and current contracts.
3. The non-official contractors shall be prepared to show evidence it has authorization from the contractor.
4. The exhibitor agrees that he is ultimately responsible for all services in connection with his exhibit, including freight, drayage, rentals and labor.
5. The exhibitor appointed contractor shall provide certificates of insurance and must agree in writing no later than 30 days prior to show opening.
6. The non-official contractor will share with the official contractor all reasonable costs related to its operation, including overtime pay for stewards, restoration of exhibit space to its initial condition, etc. Where applicable a one hour minimum labor charge will be charged at the appropriate steward rate of pay per day/per union to either the EAC/exhibitor depending upon the billing arrangement set up with GES. (Based upon EAC not number of booths)
7. The non-official contractor will not be permitted on the exhibit floor during the show days unless provided a proper registration badge by the exhibiting company.
8. The show aisles and public spaces are not part of the exhibitor’s booth. Therefore, the non-official contractor is required to confine all activities to the exhibit space of the exhibitor who has given the valid order for services.
9. Solicitation on the exhibit floor is prohibited. Any EAC or Non-official contractor engaged in any solicitation on the exhibit floor including the distribution of official company literature will be removed from the exhibit floor, unless pre-approved in writing by show management or GES management.
10. During show hours, only exhibit badges will be permitted on the exhibit floor. No installation and dismantling crew members will be permitted on the exhibit floor during show hours without the proper Convention name badge supplied by the exhibiting company. These badges should be ordered through the complimentary allotment of registration forms sent to each exhibiting company.

For Insurance and safety reasons, the official contractor designated in this service manual must be used for services such as:

- Electrical
- Plumbing
- Booth Cleaning
- Decorator Labor
- Telephone
- Drayage
- Rigging
- Millwright Work

No exceptions will be made

Tips to Exhibitor Appointed Contractors (EACs)
1. Order services required from GES and the Exhibit Hall in advance. Ordering labor or services onsite which contractors may not be prepared to provide immediately, may delay the set-up of your booth or force your set-up into overtime.
2. Take steps to protect your client’s product in the booth by arranging for booth security and/or cages.
3. Please stay out of adjacent booths during set-up.
4. Label empty cartons and crates for storage as soon as they are ready. Holding back on "empties" only adds congestion to the aisles.
5. Do not store empty cartons inside of empty crates. Cartons are returned from storage first so exhibitors may begin packing their product.
6. Keep “No Freight Aisles” clear at all times. If GES is required to re-range any material situated in a clearly identified “No Freight Aisle” you or your client depending upon your billing arrangements with GES will be charged a one hour minimum for forklift rental and labor.
7. Turn in outbound freight bills to the service desk on a timely basis. Holding freight bills until late in the day, or turning in large amounts of freight bills to the service desk at one time may delay outbound truck scheduling and subsequently force your loading out into overtime.
